"She is unfailingly enthusiastic in her approach to her job, and always treats others with kindness and warmth. She is committed, and is not afraid to go the extra mile to get the work done. She goes above and beyond her responsibility and always ensures that our needs are met," states Breana Dang, Senior Account Manager, Sparks San Francisco.

Can you guess whom this quote speaks of? None other than our May Code Ten Employee of the Month, Jessica Morrell! This is just one of many accolades the Code Ten Committee has received in regard to Jess' work, dedication and pleasant nature. She has won the respect of many in our company and we are pleased to honor her this month.

As a Philadelphia-based cost accountant, Jess is instrumental in closing out jobs, getting final invoices to clients in a timely manner and generally doing whatever is necessary to ensure customer satisfaction.

"She is exceptional in all the work she completes and is so thorough whenever asked a question. She has the utmost patience whenever a question is presented to her, even in her busy moments...she recently gave birth to a little girl and only took two weeks off from work. Exceptional does not fully express the kind of person Jess is," commends Jennifer Cathcart, Cost Accountant, Sparks Philadelphia.

Outside of work, Jess enjoys caring for her newborn, Emily, and two year old daughter, Katherine. She loves spending time with her family and friends, and has a great affinity for animals. In her spare time, she takes pleasure in romance novels and sleep (whenever that's possible!).

Jess is the embodiment of a stellar employee and we are pleased to have her in the Sparks family. "Jess is not only great at her job, but she is always in a good mood and never minds the countless changes we make. She is a pleasure to work with and is a great resource," relates Alicia Connolly, Account Manager, Sparks San Francisco.

"Jess goes way above and beyond the call of duty and makes our less-than-30-day closing goals possible. She is diligent and is always happy to help," adds Martha Yaquian, Senior Account Manager, Sparks San Francisco.

Congratulations on being named May's Code Ten Employee of the Month!
